## **Hambleton Parish Council**

Following recent events, The Trustee Management Committee of Hambleton Village Hall would like to remind members of the public that the car park is **Private Property** and only people using the facilities or having the necessary permission / dispensation are permitted to use the car park. We must stress that the Car Park is not open to members of the public.

John Davies

Secretary  
HVH Trustee Management Committee

**Hambleton Village Hall Trustee Management Committee**
